

Staveley Miners Welfare: Venue Protocol

Venue Address: 8 Inkersall Rd, Staveley, Chesterfield S43 3JL

FIRE EVACUATION:

Key Areas:

-  Playing area (3G)
-  Teams' area
-  Spectators' area
-  Water refill area
-  Car park
-  Refreshments area & Spectators Toilets
-  Teams Toilets
-  Car Park Entrance

In the event of a fire all participants and spectators will be asked to exit the stadium with the support of Chesterfield FC Community Trust and SHAPE Partnership staff and all teams will gather in the car park which is labelled as Blue on the map. There schools are in charge of checking that they have all members of their team accounted for.

SMWFC FOOTWEAR POLICY:

PERMITTED FOOTWEAR:

Artificial Ground (AG) RECOMMENDED

Specifically designed for extra abrasion, these boots usually feature more numerous and densely concentrated studs that vary in height and may be hollowed out.

Firm Ground (FG) RECOMMENDED

Sole plates feature moulded studs which are evenly dispersed across the foot to offer enhanced traction and comfort.

Hard Ground (HG) RECOMMENDED

Sole plates utilise a harder Thermoplastic polyurethanes compound for enhanced durability and typically feature multiple slightly shorter, evenly dispersed studs for optimal pressure distribution.

Turf Trainer (TF) ONLY WHEN DRY

Otherwise known as Astro's, they feature a solid rubber outsole with numerous, small multidirectional lugs spread across the sole, which offer limited grip in wet conditions.

FORBIDDEN FOOTWEAR:

Soft Ground (SG) TEAR THE SURFACE

Sole features removable, replaceable screw-in studs and typically come in a six-stud configuration, with four at the forefoot and two at the heel.

Soft Ground Pro (SGP) TEAR THE SURFACE

Also known as Hybrid or Mixed Stud, the sole plate comprises of a combination of conical screw-in studs and moulded studs, which are most commonly bladed.

Blades CAN CAUSE INJURY

Sole plates feature multiple straight slightly shorter, evenly dispersed studs that can restrict movement and turning which could cause injury.

Flat Sole (Indoor) NO GRIP & FLATTEN SURFACE

Sole made up of non-marking materials such as moulded gum rubber and feature pivot points, flex grooves and herringbone patterns.

SAFEGUARDING AND FIRST AID:

It is the responsibility of all Clubs and Schools to maintain supervision of their own team and players on the day. There will be Safeguarding Lead in attendance to support with any concerns the teams have throughout the day. Regarding photo consent, all information should be completed when signing up to the event. We ask that all clubs bring this information with you on the day as well.

In some cases, we will have a club photographer in attendance to get some action shots throughout the games, with team photos at the end of the event. Those who don't not have photo consent will be given visible armbands, so no photos are taken of them.

For first aid, there will be a designated first aid officer on site to support with a serious injury. However, the clubs and schools will be expected to manage first aid for their players with additional first aid provided if more help is needed. So, we ask that schools bring a first aid kit with them but there will also be one on site.

See details below of first aid and safeguarding contact:

Safeguarding and First Aid Contact: Robert Stevenson / Contact Number: 07857392847

EQUALITY, DIVERSITY & INCLUSION:

- Clubs should ensure that all facilities, activities, and workshops are accessible and inclusive for all participants, school staff and spectators (if applicable). For reference:
