#stayinworkout

#stayhomestayactive

The School Games Organiser network and Active Derbyshire are working together to create and publish a weekly programme of activities to help support schools to assist parents and carers to maintain an active routine for children and young people whilst at home or when socially distancing in essential care.

Whilst the weekly activities are normally themed around one sport, this week we are focusing on National School Sport Week. All activities provided as part of National School Sport Week have been developed so everyone can have a go using equipment found in the home and at school.

Children and young people should engage in moderate-to-vigorous intensity physical activity for an average of at least 60 minutes per day across the week. The resources will give simple ideas on how to be physically active, but if you are after more ideas, please visit the Active Derbyshire [website](#), or contact your local School Games Organiser by clicking on their logo within this resource.

As with all other weeks' activity, there will be a virtual competition on Friday, details of which are shown on the schedule page. The competition will be run at district and county level. There will be prizes for schools with the highest percentage of entries based on pupils on roll, certificates for all entrants and a prize draw after the last week for those who have entered 100% of the virtual competitions. Where permission has been granted, we may showcase entries, on the Active Derbyshire website, in our newsletter, on the Active Derbyshire Facebook, @Active Derbys Twitter account and with local media outlets. Please make sure that all activities are carried out in a safe manner.

We are very interested to receive your feedback so we can continue to do what works well but also make amendments to future weeks to ensure the resource is relevant and useful. Please send any feedback to derbyshireschoolgames@activederbyshire.org.uk

YOUR SPORTS DAY

PRIMARY

This week is National School Sport Week which is all about uniting families and schools in a celebration of the power of sport.

Your task this week is to design, promote, and take part in your very own Sports Day for you and your family. This resource will provide you with ideas on how to do this. At the end of the week you can send in some or all of your ideas about your sports day via our virtual competition. Earn points for your school and download your certificate.

The activities you can do this week are from National School Sport Week (**attached to this resource**). Find out more about National School Sport Week [here](#).

Remember to follow the Government guidelines on social distancing and stay safe.

How can you demonstrate all of the School Games values throughout the week?
