

# BIKEABILITY

## Level 2 & 3 courses

### Summer half term

With some of our annual schools Bikeability training postponed and cancelled recently we are running a series of school holiday courses based in the Queen's Park, Chesterfield

The courses are mainly Level 3 for year 6 and above but some Level 2 courses for year 5 & 6 as well.

Basic requirement for both courses is to be able to ride confidently with one hand whilst signalling. For Level 3 the rider must have completed a Level 2 course.

Level 2 takes place mainly on quiet roads and introduces the basic techniques of safe riding. Level 3 goes further introducing riders to busier roads, traffic light junctions and roundabouts.

All courses are in small groups of up to 4 riders with 2 instructors. The courses last 2.5 hours.

#### **Level 2**

Free of charge to children attending Chesterfield, NE Derbyshire & Bolsover schools

*(Funding provided by Shape Learning Partnership & Bolsover School Sport Partnership)*

#### **Level 3**

Free of charge to children attending Chesterfield & NE Derbyshire schools  
*(Funding provided by Shape Learning Partnership)*
