

## Orienteering

Saturday 23 October 2021

Holmebrook Valley Country Park

Registration between 1pm – 3pm

Orienteering is an exciting sport for all age groups! Find your way round a series of checkpoints, using a special map provided by Derwent Valley Orienteers.

There are three courses available, all within the park. You can race and make it into a family challenge, or take it as a walk with a purpose! Little ones might enjoy the challenge of the maze.

The short course is 1.6km and suitable for beginners. If you have time, you could try the slightly more challenging medium course at 3.5km. There's a 5.8km long course for experienced orienteers.

Volunteers will be on hand to help you get started with the map. You need to have finished your course by 4pm. Sorry, no dogs on the orienteering courses, and please bring a waterproof in case of autumnal weather.

Please book a space by contacting Wendy Blunt,
