

Frazer Hipkiss Legacy Fund

The Fund will honour Frazer's memory and leave a lasting legacy that will support and inspire people within the local sporting community. It will enable people across Chesterfield and North East Derbyshire to access National Governing Body qualifications in coaching and officiating. Through the application, individuals will receive funding to support them on their journey.

The Individual must be committed to volunteering within a sports club or community setting for 15 hours. The applicant must be able to supply a suitable individual to be a reference for the application.

Funds can be applied for of up to 50% of the course costs.

To apply, please complete the form below:

Please ensure you have all the information below to hand before starting the application as all fields are mandatory and you cannot save the survey and revisit it at a later date:

- Information regarding the course you would like to do
- A reference including their name, telephone number and email address.
- Information about how you will carry out your 15 hours volunteering

Only one application per individual will be considered for the funding.

On receipt of your application, a member of the SHAPE Learning Partnership team will contact you.
